FOR THE ALUMNI OF SAINT JOSEPH'S COLLEGE

VOL. 20 — No. 6

Collegeville, Indiana

February 1958

Like Mother, Like Son . . .

GEORGE COVER, one of the 18 mid-year graduates, receives congratulations from his mother, Mrs. Robert Cover of Rensselaer. Mrs. Cover, who graduated last June, was the first married woman ever to receive a degree from St. Joseph's College.

18 Join Alumni Ranks In Feb. Commencement

Commencement exercises Sunday, Feb. 2, added 18 new members to the ranks of St. Joseph's alumni. The baccalaureate exercises were the first ever held at mid-year.

The Rt. Rev. Maurice J. Foley, pastor of St. Joseph's parish, Logansport, Ind., delivered the commencement address. Msgr. Foley took for his theme "Alma Mater," a comparison between the duties St. Joseph performed for the Holy Family and those which St. Joseph's College has performed for the graduates.

The Rev. Edward Maziarz, dean, presented the diplomas and awarded the wives of five married graduates certificates of merit for

helping their husbands through school.

The new alumni are: Peter F. Ardini (not pictured), Iona, Mich., B.S. in business administration; Roland H. Brown, Rensselaer, B.A. in geology; George T. Cover, Rensselaer, B.A. in history.

William H. Daly, Chicago, B.S. in marketing; John W. Ewry, Rensselaer, B.A. in history; Edward C. Fox, Fond du Lac, Wis., B.A. in biology; Ronald P. Giometti (not pictured), East Chicago, Ind., B.S. in marketing; Carl

New Faculty Salaries Among Best in Nation

One of the best faculty salary scales in the country has been approved by St. Joseph's College and will become effective with the 1958-59 school year.

All four teaching ranks will receive an average scale increase of about \$1,500 per year. Full professors will range from \$9,000 to \$15,000, compared to the old scale of \$8,000-12,000; associate professors from \$7,000 to \$9,500, compared to the old scale of \$5,500-\$8,500; assistant professors from \$6,000 to \$8,500, compared to the old scale of \$4,500-\$7,000; and instructors from \$5,000 to \$7,500, compared to the old scale of \$3,800-\$5,500. Thus all lay teachers at St. Joseph's will range between a minimum of \$5,000 and a maximum of \$15,000 per year.

(According to the National Education association, the average faculty salary is about \$5,240. College instructors receive \$4,100, associate professors \$5,730, and full professors \$7,100. The average (Continued on Page Two)

W. Jaeger, Muncie, Ind., B.A. in geology; Emil J. Janc, Rensselaer, B.S. in geology.

Ronald L. Jensen, Medaryville, Ind., B.S. in business administration; Norbert D. Kretz, Oak Park, Ill., B.S. in mathematics; Jerome F. McCue, Chicago, B.S. in mathematics; James McGuire, Fort Wayne, Ind., B.S. in business administration; Paul C. Parks, Rensselaer, B.S. in mathematics; James Schlessler, River Grove, Ill., B.S. in business administration.

William Swanston, Chicago, B.A. in accounting; John A. Tobin, Oak Lawn, Ill., B.S. in business administration; and Eugene Wojciechowski, Chicago, B.S. in business administration.

Jan. Meeting Stimulates Alumni Chapter Activities

Enthusiasm and activity in the Alumni association's various chapters are reportedly at a high pitch following the important Board of Directors meeting at St. Joseph's Jan. 18.

Letters from a number of chapter presidents, who constitute the bulk of the Board of Directors, indicate an enthusiastic follow-through of the topics discussed at the January meeting. At that time it was decided that the Third Annual Fund be extended to July 31 to coincide with St. Joseph's fiscal year; that a telephone campaign be initiated within the chapters in order to achieve a goal of 1,000 participants in the Third Annual Fund (745, or 21 percent of the Alumni association's membership, contributed to the Second Annual Fund in 1956); and that Sunday, May 4, would be the date for the annual Communion Breakfast for all chapters which could arrange it.

The Chicago chapter reported at a pre-Lenten dance at the Maryland hotel in Chicago Feb. 15 that 60 alumni had already volunteered to participate in the telephone campaign to solicit those alumni in the Chicago area who have not yet contributed to this year's fund. Some 100 couples attended the dance.

Pertinent information and excerpts from those chapter presidents who wrote letters during February reporting their progress appear on Page Two. They include reports from Bill Krodell, '50, on the Jasper-Evansville area; Al Prosser, '45, on the St. Louis chapter; Rudy Volz, '53, on the Louisville chapter; Jack McCann, '51, on the Indianapolis area; Jim Stang, '50, on the Dayton chapter; and Gerry LaFontain, '35, on the Glandorf (O.) chapter

Father Maziarz Reappointed Dean

Fr. Edward Maziarz, '35, has been reappointed to his second term as academic dean of St. Joseph's College.

Father Maziarz, who is also director of the Summer Session and associate professor of philosophy, was originally named dean in January, 1955, succeeding Fr. Walter Pax, '24, who left to be-

FATHER MAZIARZ, '35

come chairman of the Education department at DePaul University in Chicago. Father Maziarz's second term will expire in June, 1960.

Born in Milwaukee, Wis., in 1915, Father Maziarz entered the Community in 1929 and was ordained in 1940 after two years at St. Mary's high school in Burkettsville, O., four years at St. Joseph's Academy and College, and five years at St. Charles Seminary in Carthage, O. He then went on to receive an M.A. degree in philosophy at Catholic University (1941), an M.S. degree in mathematics at the University of Michigan (1945), and a Ph.D. in philosophy, with a minor in physics, at the University of Ottawa (1949). He has also done graduate work at the University of Virginia and at Laval University in Quebec.

Father Maziarz has gained wide recognition as a teacher and author. His published works include two books—"The Philosophy of Mathematics" (1950), and a book translation, "A History of Philosophy" (1955)—and numerous articles, translations and book reviews.

A member of the St. Joseph faculty since 1942 and director of the Summer Session since 1952, Father Maziarz served in the Holy Family parish in Bronx, N.Y., in 1941, and was instructor in philosophy and religion at Marian College in Fond du Lac, Wis., in 1941-42.

Division Formed, New Heads Named

A new division has been formed and two new division chairmen appointed at St. Joseph's.

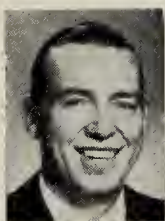

The new division is the Division of Business and Economics, which includes the accounting, business administration, and economics departments. Previously these courses had been part of the Division of Social Science, which now includes the history, politics and sociology departments. The Social Science Division was split into two divisions because of the large number of faculty and students in that section, and because of the diversity of problems between the two general areas of business and social science.

The formation of the new division gives the College six major divisions of instruction. In addition to Business and Economics, they are the Divisions of Religion and Philosophy, Humanities, Natural Science, Education, and Social Science.

Fr. Edward Maziarz, academic dean, announced last month that Dr. Bryce Jones, Ph.D., associate professor of economics, has been appointed head of the new Division of Business and Economics, and that Richard Kilmer, M.A., assistant professor of history, has

Reports of 6 Chapter Presidents Reflect New Alumni Enthusiasm

* * * * *

JOE Plans Parties, Fund Drive

Bill Krodel, '50, president of the Jasper-Owensboro-Evansville chapter, met with six other alumni in his area Feb. 4 to discuss several phases of chapter activity.

The group included four from Evansville—Elbert Walker, '44, Jim Taylor, '42, George Ellspermann, '47, and Roy Stone, '50, and three from Jasper—Tom Berger, '50, Bernie Hoffman, '43, and Krodel.

Krodel stated that the meeting lasted about three hours and "I really think we got a lot settled." The group first decided to postpone the election of officers until the spring meeting, and then held a long discussion concerning the telephone campaign on behalf of the Third Annual Alumni Fund. All agreed to help, and Krodel sent for a list of names of the alumni in his area from the St. Joseph Alumni office.

"We also made temporary plans," reported Krodel, "for our spring dinner-dance, and discussed possibilities of chartering a bus to bring a bunch up for homecoming next fall, since hardly anyone from down here has been back there for quite some time. More on that later."

Finally, the group made plans for an alumni party following the St. Joseph-Evansville basketball game at Evansville Feb. 22. Some 25 to 30 couples were expected to attend the affair at the Knights of Columbus club.

* * * * *

Glandorf Campaign Discussed

Gerry LaFontain, '35, of Fostoria, O., submitted the following information concerning events in his area:

"I feel that the telephone call campaign could be worked—and I hope I am not too pessimistic in saying—with an approximate 40 percent coverage. Around 18 to 20 callers would be needed. Lima and Tiffin should have at least two callers each, other cities and towns one. The chapter probably does not include any larger number of towns than the average, but each town has its own telephone requiring a long distance call between them. This, along with the usual human failures inevitable in such an endeavor, account for my 40 percent estimate.

"We are definitely pointing toward a Communion Breakfast for the Glandorf chapter. Tony Walz, '26, Dick Trame, '38, and Joe Nienberg, '35, are going to make the arrangements . . . The date of the Breakfast is not definitely set but we are planning on May 4 at Glandorf . . . I presume that the publicity on the Communion Breakfast will come from the College, but an up-to-date roster for the chapter would be helpful and interesting to have.

"Enclosed is a suggested list of towns for reassigning the Toledo and Glandorf chapters which we feel would be more appropriate geographically.

"I met Fr. Tony Traser, C.P.P.S., '34, at Tiffin Mercy hospital the other day. I knew he was there but had not run across him yet. It has been more than a quarter of a century since we have seen each other but he called me by name without batting an eye. He is fine". . .

New Salary Scale . . .

(Continued from Page One)

income of U.S. factory workers in 1956 was \$4,580.)

Matches Yale

The wide range in each of the ranks allows the College to pay more to the teachers with a Ph.D. degree than it pays to those in the same rank with only a Master's degree. The over-lapping among ranks has been set up so the teacher with a Ph.D. in a lower classification falls within the same pay range as the teacher in the classification above him with a Master's degree.

Last October Yale University announced its new salary schedule, effective July 1, 1958. President Griswold stated that the latest increases would make Yale's compensation "to the best of our knowledge, second to none in any American university." The comparison is made here not in terms of total financial output, since Yale's faculty far out-numbers St. Joseph's, but, in view of President Griswold's statement, in order to gain a perspective on St. Joseph's new salary scale:

"Instructors at Yale are to receive a minimum of \$5,000 and a maximum of \$5,500; assistant professors, \$6,000 to \$7,000; associate professors, \$8,000 to \$9,500; and professors, \$11,000 to \$18,000."

St. Joseph's new scale tops that of Yale at the ranks of instructor and assistant professor, virtually equals it at the rank of associate professor, and falls short only with the full professor.

'Faculty Comes First'

The new salary boost is St. Joseph's second in two years and represents an increase of more than 100 percent since the College received the Ford Foundation grant of \$270,000.

In announcing the increase, Father Gross said: "The heart of a college is its faculty, and we have recently added a number of doctors to the staff. Even though St. Joseph's has doubled its enrollment in the past several years, has added four new dormitories and has done much renovation, the faculty comes first. The buildings are sound and functional, but no money has been added for frills.

"A first-class teacher deserves a worthwhile salary, one that is equivalent to a 12-month salary, so he can be free for study, research and educational travel during the summer. In return, the college should be able to expect a first-class performance from its faculty in teaching and writing."

Faculty Benefits

The salary increase was the third step taken by St. Joseph's in the past year to improve the economic status of its faculty. The College recently began financing, also by means of the Ford Foundation grant, a lay faculty community to enable its teachers to build their own homes under terms which they can afford; and it passed a policy two months ago granting free college tuition to the children of its faculty members who attend either St. Joseph's or any other accredited four-year Catholic institution.

St. Joseph's will have 30 lay faculty members and an enrollment of approximately 1,050 by next September with the completion of the two new student residence halls.

OLD TIMERS GAME

Don't forget to drop a line to Football Coach Bob Jauron if you're interested in participating in the first annual Old-Timers football game Sunday, May 4, between the 1958 varsity and alumni.

Jauron says he will lend some of his varsity reserves to the Old Timers squad if necessary.

Louisville Sets Alumni Breakfast

The Louisville chapter's annual Communion Breakfast will be held on Mar. 16 at Bellarmine College, 2000 Norris Place, Louisville.

Rudy Volz, '53, chapter president, announced that the Louisville Board of Directors met on Jan. 28 and decided that the Mass would begin at 10 a.m. in the Bellarmine Chapel and that breakfast would follow in the Bellarmine cafeteria.

The Most Rev. Charles C. Maloney, '32, Auxiliary Bishop of the Archdiocese of Louisville, will, according to Volz, say the Mass and The Rt. Rev. Alfred F. Horrigan, '34, president of Bellarmine College, will address the breakfast.

* * * * *

Activities Started at Indianapolis

The Indianapolis chapter held successful alumni gatherings after the St. Joseph-Butler basketball game Feb. 1 and again following the Marian game Feb. 11. Writes Jack McCann, '51, president of the Indianapolis chapter:

"Enjoyed receiving your (Father Lefko's) letter sharing my enthusiasm over the progress made here recently. We had a real nice gathering after the Butler game at the Legion hall. I believe everyone enjoyed the game, even though we lost, 89-81. We were in that ball game all the way, up until about two minutes to play, when (Center John) Bishop left the game on fouls. I believe most of the alums here admired our ball club because it is a young team and has lots of fight and life to it. . . .

"The Marian game wasn't anything spectacular, but the result was perfect in view of our position here (the Pumas won, 83-71). We had the Marian team as our guests too, following the game. We made a public announcement over the loud speaker in the fourth quarter about our shindig, in addition to our write-ups which appeared in the Star and the News about the meeting, and our mimeo letter to our local membership (my list now shows approximately 130!).

"We had an excellent turn-out, and probably one of our most successful ventures yet. We have figured about 70 to 75 were there during the progress of the evening, with about 60 there at one time at the height of the evening. The K of C cooperated very nicely and things worked out fine. The enthusiasm it created is the most important thing, however.

"Our Communion Breakfast committee is really going all out too, and I think this will also be a success. We are planning for May 4. We also want to have another smoker here just prior to our Communion Breakfast. . . .

"I believe things are rolling here now and we are going to attempt to keep this enthusiasm at an even keel in order to sustain it, and not let it become wasted all at once. I don't mean to imply by any means that we have the Kiwanis International here now, but only that we are at a point ahead of which we haven't been in many, many years. . . .

"I would sure like to see that we get some publicity in Contact the next time relating to our series of meetings and events, in order that all of our local alumni become increasingly aware of our progress and of the other areas as well."

Ed.: Contact is as much interested in helping to arouse and sustain alumni enthusiasm as are the chapter presidents. Therefore it is and always has been Contact's aim to report all the activities of all the chapters. The only condition Contact has about printing chapter activities is that such information be made accessible to the editor. This is the responsibility of the chapters themselves, ideally of one man in each chapter appointed by the chapter president. Please submit the information either to the Alumni office at St. Joseph's or directly to Contact. The point is, Contact cannot publicize the various chapters unless it receives the information.

* * * * *

Dayton, Cincinnati Plan Drive

The following letter was received from Jim Stang, '50, of Dayton and president of the National Alumni association:

"I've been trying to get all the loose ends tied together but I still don't know definitely where we will have our alumni Mass and Communion Breakfast. We plan on having it at St. Joseph Church but Father Langhalls hasn't given us the okay yet. I hope to have full details by the end of February.

"Concerning the alumni contributions, it seems to me that the plans we made at the last meeting are the best. A letter from the College to those who previously made contributions but have not during this current drive, followed by a telephone call from a local alumnus, should do the trick.

(Continued on Page Three)

O'Connell Resigns, Iofredo Named Successor

Pumas Finish With 10-11

The fortunes of St. Joseph's cagers took a turn for the worse during the February stretch drive as the Pumas dropped six of their last eight games, including five of six Indiana Collegiate conference battles.

The Pumas had entered the final half of the ICC race with a 4-2 mark, but finished with 5-7 and a tie for either third or fourth place (the conference winds up its activity on Saturday, Mar. 1). St. Joseph's registered a final 10-11 mark, their first losing season in three years.

St. Joseph's skid coincided with the scholastic ineligibility of Center John Bishop, 6-5 sophomore from Chicago, who sat out the last seven games. Bishop, the number two rebounder in the conference and the tallest man on the squad, had given the Pumas an edge under the boards and covered considerable territory on defense; without him, St. Joseph's was consistently out-rebounded.

The Pumas warmed up for their second-half campaign with two wild victories over Bunker Hill Air Force Base, 105-85 and 113-86. But they began a four-game losing streak at the Butler field-house Feb. 1 when the Bulldogs took revenge for three straight defeats with an 89-81 victory. The highlight of the February slate occurred when Evansville brought their league-leading Aces, ranked third in the nation among small colleges, to Collegeville and had to go three overtimes before winning, 80-76.

DePauw and Bellarmine inflicted the next losses, 69-54 and 82-76, before the Pumas pulled out an 83-71 victory over Marian. After being clubbed at Ball State, 83-76, St. Joseph's salvaged some satisfaction from the wreckage with their third consecutive win over Valparaiso, 64-62. The season ended with a 78-70 loss at Evansville, which gave the Aces a final 11-1 record and their fourth conference championship in five years, as well as a 19-2 season mark with one game to play.

Butler 89, Pumas 81
Feb. 1—It took them more than 35 minutes to do it, but Butler's Bulldogs finally caught up with St. Joseph's after three consecutive losses to the Pumas. With the score tied at 73-all and 4:49 to go, the Bulldogs went on a 10-point spree and a subsequent 89-81 victory at the Butler field-house. The Pumas were hurt when Center John Bishop, playing his last game before becoming

ineligible, fouled out with 6:12 remaining. St. Joseph's took a 73-71 lead shortly afterwards, but Butler quickly built an 83-73 margin with only two minutes left. Bobby Williams led all scorers with 24 points, followed by Dan Rogovich and Butler's Wally Cox with 20.

This Butler win over St. Joseph's was too late, however; for the Pumas' earlier 64-62 victory over the Bulldogs, coupled with Butler's loss at Evansville, gave the Bulldogs two conference defeats going into their final game Feb. 25—and left Butler with hopes for no better than second place, since Evansville has already finished their season with only one loss. And what has added to Butler's irritation over their 1958 Collegeville loss is the fact that the Bulldogs are losing four of their five starters by graduation.

Evansville and Butler were the only ICC teams to finish with a winning conference record.

Evansville 80, Pumas 76

Feb. 6—Facing four games in six days, playing their first game without their top rebounder John Bishop, and already owning three losses in conference play, the Pumas went for broke in what amounted to their key game of the campaign. They laid all their cards on the table—they even matched the Aces in rebounds—before they were finally outlasted by the league-leaders, 80-76, in three overtimes. The grueling battle undoubtedly had its effect on their three performances in the next five days; but this was the game they needed and they almost succeeded against the third-best small-college team in the land.

St. Joseph's overcame a six-point deficit to tie the Aces at 57-all at the end of regulation play. In each of the first two overtimes Evansville grabbed a four-point lead, but each time the Pumas ball-hawked themselves into a tie. In the third overtime Evansville again grabbed a four-point lead, but the Pumas had run out of gas. The Aces' large sophomore, Ed Smallwood, the ICC's scoring leader and second top rebounder, paced both teams with 23 points, followed by Harold Cox of Evansville and Bobby Williams, Puma forward, with 22.

St. Joseph's hit at a cold .298 clip from the floor.

This defeat gave St. Joseph's an 8-7 season mark and 4-4 in the ICC, which virtually crushed their title aspirations.

DePauw 69, Pumas 54

Feb. 8—It took the Pumas, apparently still feeling the effects of the battle two nights before, more than seven minutes to score from the field as they fell before a hot DePauw team at Greencastle, 69-54. Led by Bob Williams with 15 and George Lux with 13, St. Joseph's could hit for only a .313 percentage while the Tigers canned 46 percent of their shots. The winners opened up a 43-32 second-half lead and the Pumas never recovered, dropping them to a 4-5 ICC mark and 8-8 for the season.

Bellarmine 82, Pumas 76

Feb. 10—St. Joseph's came to life in the second half of their bout with a tall Bellarmine squad as they overcame a 68-56 deficit and tied the score at 72-all with three minutes to go. But the Knights came back with 10 quick points to walk off with an 82-76 victory, their third in three games over the Pumas in two years. St. Joseph's, outshooting Bellarmine from the field, 33 baskets to 30, actually lost the game from the free throw line where they cashed in on only 10 of 21. Bob Williams and George Lux led the St. Joseph scoring with 20 apiece.

Pumas 83, Marian 71

Feb. 11—St. Joseph's snapped their four-game losing streak and evened their season record at 9-9 with an 83-71 win over Marian College at Indianapolis. All five Puma starters—Forwards Greg Jancich and Bob Williams, Center Jack Finnegan, and Guards Dan Rogovich and George Lux—gave St. Joseph's scoring the best balance it had all year, with Williams leading the attack with 22.

Ball State 83, Pumas 76

Feb. 15—Ball State, avenging an earlier defeat at the hands of the Pumas, took the lead at the outset and never relinquished it as they dealt St. Joseph's its fourth consecutive conference defeat, 83-76, on the Cardinal court. The Pumas attempted to make a game of it when, with 11:45 to go, they trailed by only 52-49, but the Cardinals built the margin to eight points with three minutes remaining. Dan Rogovich and Bob

Joe Iofredo, freshman basketball coach at St. Joseph's College, has been appointed head basketball coach succeeding Dale O'Connell, who resigned Feb. 3. O'Connell's resignation becomes effective at the end of the current semester.

St. Joseph officials made the announcement following the Pumas' final game Feb. 22 at Evansville.

Iofredo came to St. Joseph's last March after an 11-year high school career in which he compiled a 128-43 head-coaching record in basketball. A native of Cleveland, the new Puma mentor graduated from Western Reserve University in 1946 and worked as an assistant coach in two Cleveland high schools until 1949.

During the next three years Iofredo was head basketball and baseball coach at Wheeling Central high school in Wheeling, W. Va. His basketball team compiled a three-year record of 61 wins and only eight losses while taking the conference and state championships all three years.

In 1952-53 he compiled a 12-8 mark at Chaminade high school in Dayton, O. For the next four years he coached at Hamilton Catholic high school in Hamilton, O., where his basketball team won 55 and lost 27.

O'Connell, a native of Nashua, N.H., and a 1947 graduate of New Hampshire University, absorbed his first losing record this season in three years at St. Joseph's. The 78-70 loss to Evansville Feb. 22 gave him a 10-11 season record and a 5-7 Indiana Collegiate conference mark. In 1955-56, his first year, he compiled a 10-9 mark and 6-6 in the conference; and last season he finished with a 12-11 record and, once again, 6-6 in the ICC.

JOE IOFREDO

Thus he compiled a 32-31 mark during his three-year career at St. Joseph's. In the nine post-war years before O'Connell's arrival, the Pumas had one winning season and a record of 83 wins and 112 defeats.

The College also made the announcement that Bob Shemky has resumed his position as baseball coach, succeeding Iofredo. Shemky, who coached the 1957 baseball squad, had been succeeded by Iofredo, who was to have taken over this spring.

Williams paced St. Joseph's with 17 apiece.

Pumas 64, Valparaiso 62

Feb. 18—Although out-rebounded 72-48, the Pumas nevertheless were able to capture their final win of the season against a tall Valparaiso squad, 64-62, on the Collegeville court. The victory was St. Joseph's third consecutive win over the Crusaders. The Pumas took a 39-31 halftime lead, but the Crusaders came back and fought right down to the wire as they tied the score four times. The Pumas finally grabbed a 64-60 lead with 2:30 left, but lost the ball and the Crusaders closed it to 64-62. Valparaiso got the ball again on a missed free throw with several seconds remaining but a final shot failed. Senior George Lux paced the Puma attack with 22 as St. Joseph's once again evened their record at 10-10

Dayton, Cincinnati Plan Drive . . .

(Continued from Page Two)

In this letter let the alumni know how their contributions influence other organizations and corporations.

. . . "I've talked to Con Fecher, Jr., '46, and he will be glad to assist. We can also set up the contacts in the Springfield and Cincinnati areas . . .

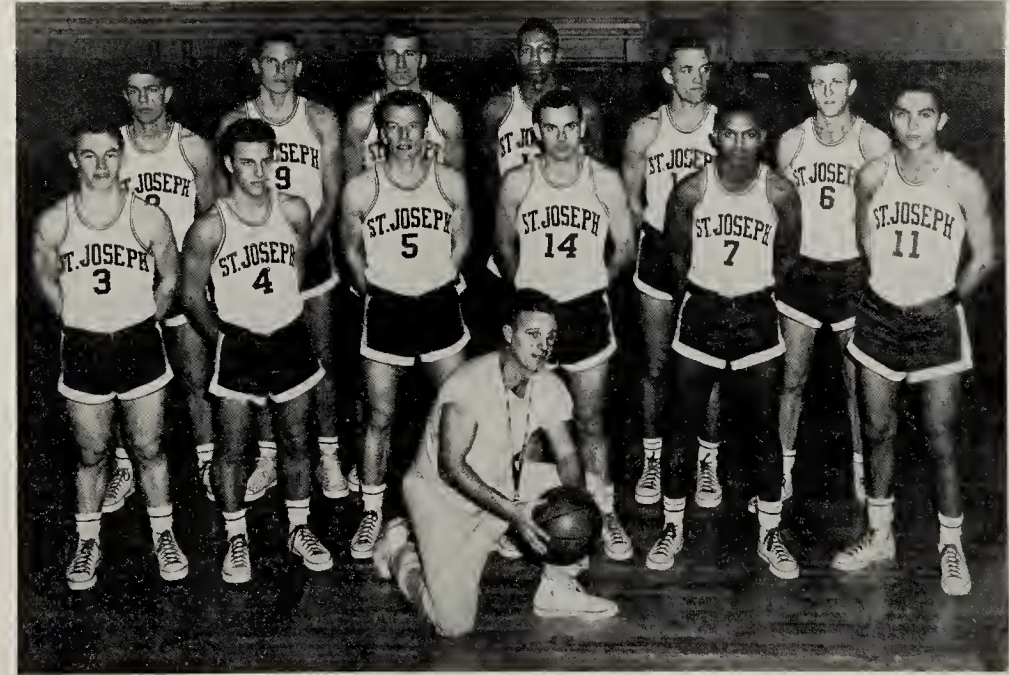

"It was heartening to see all those who showed up for our last meeting. I'm looking forward to the June 7th meeting. You can rely on the support of our group, but there is always in the foreground our own businesses and problems. That coupled with the infrequent St. Joseph contacts makes us forget our duties to our Alma Mater. This is probably the crux of the problem in keeping the alumni board on the ball. This would be good subject matter for our next meeting."

St. Louis Reports on Progress

Al Prosser, '45, president of the St. Louis chapter, reports that, as far as can be determined, May 4 will be satisfactory for the chapter's annual Communion Breakfast. However, no definite arrangements have been made as yet.

"Regarding a telephone campaign for contacting alumni about the alumni fund," said Prosser, "I can't see anything wrong with this idea. As was stressed at the meeting, we should brief our committees thoroughly on the type of approach to use. Also, I personally think we should confine this initial campaign to graduates and to non-graduates who have contributed before. With the proper approach and the whole-hearted cooperation of our committees, I'm sure we'll reach our goal of a thousand contributors."

BASKETBALL COACH DALE O'CONNELL, who resigned his position Feb. 3, is shown with his 1957-58 squad, his last at St. Joseph's. Behind O'Connell in the front row (l. to r.) are: Guard Jim Koehler, sophomore from Madison, Ind.; Guard Dan Rogovich, junior from Chicago; Guard George Lux, senior from Chicago; Guard John O'Neil, senior from Goodland, Ind.; Forward Bob Williams, sophomore from Indianapolis; and Guard Ray Strabavy, sophomore from Whiting, Ind. In the back row (l. to r.) are: Forward Jim Elbert, senior from Goodland, Ind.; Forward Dave Cassin, junior from Oak Park, Ill.; Forward Greg Jancich, senior from Whiting, Ind.; Center John Bishop, sophomore from Chicago; Center Jack Finnegan, sophomore from Louisville; and Forward Angelo Dattomo, junior from Cincinnati. Bishop and Strabavy were ruled scholastically ineligible at the end of the first semester. Lux, Jancich, Elbert and O'Neil played their last game in a St. Joseph uniform Feb. 22 against Evansville.

Seeking a New Position? Perhaps Placement Bureau Can Help

St. Joseph's Placement bureau, which was taken over last September by Richard Scharf, '38, is expanding its operations and would now like to be of service to the alumni as well as to the students.

Mr. Scharf reports that he has received a number of letters from alumni requesting information concerning job opportunities; he has also received letters from employers asking about the availability of St. Joseph alumni. The trouble is that Mr. Scharf has complete credential files only on the present Senior class who are looking for jobs after graduation next June, but he has no complete credential files on alumni.

In order to have a credential

file on hand in the Placement bureau, the alumnus merely has to fill out the accompanying personal data form (credential file) on this page and return it to Mr. Richard Scharf, Placement Director, St. Joseph's College, Collegeville, Ind. You can do this whether or not you are looking for a job. If you are, then so indicate, and your sheet will be placed in the active file. If you are not presently seeking another position but have reason to believe that you might be in the future, then the form will be placed in the inactive file until you notify the placement director that you are interested in employment elsewhere.

If at all possible, please submit

three photos with your credential file, since employers do not always return these pictures. If you are in the active file and an opportunity comes which you, according to your personal data sheet, might be interested in and qualified for, the Placement bureau will notify you of the opportunity and will submit the credential file if you so desire. You may also attach any letters of recommendation which you might wish to accompany the credential file.

The Placement bureau can also be of service to those alumni who are in a position to employ a St. Joseph graduate. All that is necessary is for the alumnus to submit to the Placement bureau

the qualifications he is looking for.

The great majority of positions with which the bureau is involved is in the fields of sales, management, personnel, accounting and marketing. Thus far, 60 seniors in business have had 146 interviews. The second area in which a large number of St. Joseph graduates are interested is teacher placement. Different credential forms are necessary here; therefore, any alumni who are interested in teacher placement should contact Mr. Scharf for these forms.

There is also an area in which alumni could aid the function of the Placement bureau—by interesting their companies to send representatives to the campus for

student interviews. According to Mr. Scharf, the method was established last year under the direction of Hugh McAvoy, '54, who resigned his positions last June as National Alumni director and placement director.

Since September, eight firms have sent representatives to St. Joseph's: the Army Audit agency, the Internal Revenue bureau, Inland Steel, Brach's, Prudential Life Insurance, United Parcel, Montgomery Ward, and Lincoln National Life.

Said Mr. Scharf: "Student reaction over this method has been

RICHARD SCHARF, '38

very enthusiastic, and any help the alumni can give us in sending more representatives down here would certainly be appreciated. On the other hand, we will be very happy to serve the alumni in every way we can. But we must have their personal data sheet before we can attempt to do anything for them. If an alumnus is looking for a job, it could be very important to him."

'Charley's Aunt' Next

St. Joseph's Columbian Players are preparing their second production of the school year—"Charley's Aunt"—for Mar. 9, 10, and 11.

Four girls from Rensselaer have been cast in the female parts. The play, a situation-comedy, is under the direction of Mr. Willard Walsh, assistant professor of English and speech.

New Division . . .

(Continued from Page One)

been named head of the Division of Social Science. They succeed Fr. Joseph Kenkel, Ph.D., professor of economics and chairman of the Social Science Division since 1946.

Father Maziarz stated that this is the first time St. Joseph's has ever appointed laymen as division chairmen. The two appointments expire in June, 1960.

Pumas Finish . . .

(Continued from Page Three)

and pulled up to a 5-6 conference mark, setting the stage for their return match with Evansville.

Evansville 78, Pumas 70

Feb. 22—St. Joseph's failed in their bid for their third straight winning season and their third consecutive .500 mark in ICC competition as Evansville clinched the conference title with a 78-70 victory at Evansville. A St. Joseph's victory would have dropped the Aces into a tie with Butler, who can look back to their opening league-game defeat at the hands of the Pumas to see where their title went.

Conference scoring leader Ed Smallwood once again paced both teams with 27 points, but finished one point shy of the single season ICC scoring record set by St. Joseph's Don Merki in 1953-54.

Again out-rebounded, 68-42, the Pumas fell behind to stay at 19-17. The Aces led at intermission, 43-39, and increased their margin to 74-60 with 3:15 to go. Fittingly enough, Seniors George Lux and Greg Jancich, the only two starters playing their final game for the Pumas, led the St. Joseph offensive with 18 and 17 points respectively.
